Kiwaniis Club of St. Augustine 2020 Scholarship Application

Scholarship Awards for 2020

The Kiwanis Club of St. Augustine will award four \$500 scholarships to students attending any of the following schools: St. Augustine High School, St. Joseph's Academy, Pedro Menendez High School, Florida School for the Deaf and Blind, or St. Johns Technical High School.

The scholarships will be awarded to graduating seniors attending college or vocational school in the summer/fall of 2020. The conditions of the award are that each recipient must enroll as full-time, degree-seeking student at regionally accredited post-secondary institutions in the United States.

Scholarship Criteria

Scholarships are based on academic achievement, citizenship and leadership without regard to financial need. Candidates must rank in the upper 30 percent of their class. In addition, candidates must be exemplary school citizens and should be regarded as leaders in their school. Participation in extracurricular activities (including Key Club if there is a Key Club at the school) is an important consideration in the selection process.
